Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2019** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year, as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> ● At the end of the last academic year, school assessments showed a high percentage of children working above or at the expected level across the school which reflects the schools improving quality of teaching and learning in the subject. ● The entire year 6 cohort completed the Young Leader's Award through the Leeds United Foundation. ● Lessons continue to be more physically active because of teachers using outlined strategies to support the implementation of the 90:10 rule. (All lessons should contain at least 90% physical activity rates) ● Teachers have begun to use videos as an assessment tool and use these to support their judgements through discussions with the subject leader. ● The subject leader has amended outdoor planning across the whole school; it is now sequential and in line with the new progression document- this now needs implementing. ● The play leader lunchtime role has continued to run successfully by increasing participation in sport during lunch times and during extra-curricular activities. ● Through our continued excellent link with Leeds United Foundation, some children participated in a data handling after-school club which made cross curricular links to maths in LKS2. ● The school has an excellent link with Castleford Tigers and coaches have visited the academy to improve standards in PE. 	<ul style="list-style-type: none"> ● To use specific assessment tasks outlined within the planning to support teachers in KS2 in making more robust teacher assessments ● To improve the teaching and learning of outdoor PE in KS1 by supporting the sports play leader. ● To improve the quality of teaching and learning of dance within the curriculum by providing CPD for members of staff.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	87%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	87%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	30%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
